

Child Guidance Resource Centers' 2019 Fundraising Gala
Shine a Light, Wear White--Giving Back is the New Black:
The Black and White Ball

Dear friend,

Child Guidance Resource Centers (CGRC) is a private, non-profit organization that has been providing life changing mental health services for children and families for 63 years. We treat children on the autism spectrum, children who are struggling with depression, anxiety, OCD, ADHD, and children who have experienced trauma in their lives. In 2018, Child Guidance Resource Centers provided services to over 9,600 children and families in Southeast Pennsylvania.

We are hosting our annual spring fundraiser, ***Shine a Light, Wear White-Giving Back is the New Black: The Black and White Ball***, on April 26th at the Springfield Country Club and we would be honored if you would partner with us this year. Your support will enable us to serve our community for many years to come and will create positive change in the lives of thousands of children and families.

Child Guidance has always been committed to providing the most therapeutically appropriate services to meet the needs of our families, however that has become difficult in recent years due to cuts in state funding for mental health services, and that does not seem to be changing anytime soon. Our annual gala is our biggest fundraising event of the year, and we depend on donations from people like you to help us continue to care for families in our community.

Would you donate a product or service from your business? No gift is too small, and every gift makes a difference. We are also pleased to offer a discounted rate for all Silent Auction sponsors in our Program Book. 100% of our proceeds will go directly toward helping children and families with mental health needs. We are grateful for your consideration and all donations are tax deductible. Together, we can give families the support and skills they need to recover from their challenges and shine.

Sincerely,

A handwritten signature in black ink that reads 'Colleen McNichol'.
