Spring Group Schedule 2016

Let’s Be Friends - Anger Management and Conflict Resolution Skills

Days: Wednesdays
Times: 6-7pm
Dates: 3/2/16 - 5/11/16, a 10 week program, off the week of 3/23/16
Ages: 6-10 years old
Diagnosis: This group is for children who have diagnoses related to disruptive and impulse control disorders. This group is not appropriate for children diagnosed with Autism Spectrum Disorder.
Goal: To utilize the principals of cognitive behavioral play therapy to help children respect rules, solve interpersonal conflicts, monitor and manage anger by developing coping skills, develop listening skills, identify and appropriately express emotions, and improve self-esteem.

Healthy Relationships and Puberty

Days: Thursdays
Times: 5-6pm
Dates: 3/3/16 - 5/12/16 (off the week of 3/24/16)
Ages: 12-16 years old
Diagnosis: This group is for adolescents diagnosed with Autism Spectrum Disorder only.
Goal: To increase knowledge regarding healthy relationships and puberty by exploring topics such as body changes, hygiene, and appropriate behaviors in private and public spaces.

For more information, to determine appropriate fit into the groups, or to make a referral, please call Access Coordinator, Khalia Boozer at 267-713-3529.
